Dear Ruth:

It is with regret that I accept your letter of resignation.

Both Carol, myself and the kids extend to you our best wishes. We were so delighted to learn of your forthcoming marriage.

However, I am sorry that you will be leaving our employ, but I want you to know how much I personally appreciate the dedication and effort that you have put into not only the programs at Sunset Haven and Linwell Hall, but the overall Regional Programs.

I know you were an inspiration to many of our younger staff and I always knew when there was a job to be done you would give it your very best.

I appreciate that your work meant a great deal to you and I hope helped you through a difficult time in your life, but it is obvious there is a great deal of well deserved happiness in the future.

Also, Carol and I, and the family, appreciated your personal friendship, which I know will continue.

To you and your future husband, our very best wishes for many years of good health and happiness.

Yours truly,

D. H. Rapelje
